Our wine list is a celebration of diversity, much like the rich cultural tapestry that defines England today. We've curated a selection that spans the globe, showcasing over 100 grape varieties, from the well known to the wonderfully obscure. Whether you're a seasoned connoisseur or just beginning your journey into the world of wine, we have something for every palate.

You'll find wines crafted from native and lesser-known varieties, representing everything from traditional, low-intervention and biodynamic practices. This collection offers a balance between accessibility for those looking to enjoy without concern and an opportunity to explore the offerings of iconic wineries for the curious and discerning.

At Sael, our wine list is more than just a menu – it's an invitation to discover the very best that the world of wine has to offer today. We hope you enjoy exploring it as much as we enjoyed curating it for you.

Cheers!

Somm's Choice

Alice Hartmann Crémant is renowned for being served in all Luxembourgish ambassies and at the Grand Duke's table. It is undoubtedly one of the best sparkling wines from Luxembourg. For the wine freaks : The little extra about this sparkling is that the dosage is made with a réserve perpétuelle, which started in 2003.
